Each year, the Pat Gustke Sustainer of the Year award is given to up to three League Sustainers who embody the League’s Mission. Winners display a sustained commitment to their volunteer work and serve as inspirational role models for all members of the League and our community. Sustainers may be nominated for a single community contribution or for the total scope of their volunteer involvement.

The winner(s) will be honored at the Virtual Sustainer Zoom Social in May. They will be presented with a cash stipend for the organization of the winner’s choice. Because this award honors volunteer efforts, time spent in paid positions will not be considered. Nominees will be evaluated on the basis of the written information submitted with this nomination. A maximum of 3 pages of written support materials may be included (i.e. a letter of support from an organization in which the Sustainer is involved, printed news articles about the Sustainer’s accomplishments, etc.). Prior Pat Gustke Sustainer of the Year Award Winners are not eligible.
