

MISSION STATEMENT

Junior League of San Jose (JLSJ) is an organization of women committed to promoting voluntarism, developing the potential of women, and improving communities through the effective action and leadership of trained volunteers.

Its purpose is exclusively educational and charitable.

50 Years of Giving Back to Local Communities

- 600+ members
- 27,000 volunteer hours annually
- \$5.4 million in community grants since 1967

Current Community Impact Focus

- Helping foster youth successfully transition out of foster care in Santa Clara County

JLSJ is a part of the Association of Junior Leagues of International (AJLI), a network of 291 Junior Leagues comprised of over 150,000 women, in Canada, Mexico, the U.K. and the U.S., engaged in similar work in their own communities. This provides us with a unique and powerful depth of knowledge and resourcefulness to bring about the changes we strive to accomplish.

For decades, our members have focused their time and talents to assist those experiencing homelessness, improve early children education and kindergarten readiness, increase access to education, health and protective services for vulnerable children and families.
